Check one: _____ Student wants to receive funds in the spring, for summer work
OR: _____ Student wants to receive funds in the summer, for summer work

To the Student: (1) The purpose of this award is to help you complete your degree earlier than you might otherwise have completed. (2) You are required, at the end of the summer, to provide a report of the summer's accomplishment to Associate Dean William Hart-Davidson of the College of Arts and Letters; this can be as little as a well-formed paragraph sent by e-mail to hartdav2@msu.edu, but it is required. **Note: please do not hire student workers for wages from these fellowship funds. You can, however, conduct research participant studies and accordingly pay research participants for their time.**

Student signature signals that the student is aware of these points.
