- Note: Make sure you are only approving dates for the correct pay period or previous periods if corrections are being made. In the example above, we are in pay period August 27th – September 9th. If time was entered for September 12th, it should not be approved until next pay period
- After you click “Approve” the symbol in the status column should change from a yellow triangle to a green check mark
- Note: If you exit out of the tile in EBS and enter back in, all hours you have approved will no longer be visible
